Post Exam – Stay Informed

Building Safety Inspectors and Code Enforcement Officials must keep in mind that the Uniform Code and Energy Code are sometimes amended between “code cycles”. Moreover, regulations that affect the code enforcement community can be amended at any time. For these reasons, it is to the benefit of code enforcers that they subscribe to the Division’s E-Bulletin Mailing List. This mailing list is the best way for the code enforcement community to stay informed of new and amended codes, rules, and regulations.

Absent this knowledge, code enforcers could fail to enforce new and updated versions of the code. This could put them at risk of materially failing to uphold their code enforcement duties. This deficiency could result in the suspension or revocation of a code enforcement certification as described in [19 NYCRR 1208-6.2](#).

The mailing list is also used to notify code enforcers of training requirements and training opportunities.

Post Exam – Stay Informed

To subscribe to the Division's E-Bulletin Mailing List, either:

1. click the button on the left, or
2. click [here](#), scroll to the bottom of the page, and click subscribe under the heading "E-Bulletin Mailing List".

If at some point in the future you get a new email address, you should unsubscribe your old address and subscribe using your new one.
